Group Match Finals -
Three Years of Dreams and
Stubbornness

T/N A dark horse is a little known person or thing that emerges to prominence, especially in a competition of some sort, or a contestant who seems unlikely to succeed
[From Wikipedia]

CAN'T STAND AROUND, THOUGH.

But not long after that, they started peeing at the entrance. I had to sanitize and watch them constantly. What a bother. One day I saw Cain going to the toilet so I followed him and then I saw...
